MY R. STAHL MTABLETA

The robust and powerful tablet is the ideal partner for our MOBILE WORKER concepts in potentially explosive and harsh environmental conditions. The Industry 4.0 generation tablet is Android Enterprise Recommended and can be used quickly thanks to its zero-touch functionality, making it ideal for maintenance applications in the IoT environment. The 8-inch display, two freely programmable buttons, a long-lasting battery, a practical wrist strap and a separate leather case with a shoulder/belt or carrying strap system are further highlights.
